

Class F - Flowers

Chairperson: Christine McCartney 289-478-1161

Rules: See general rules and regulations

- All flowers and plants - FRESH FLOWERS unless otherwise stated.
- Must be grown by the exhibitor.
- All cut flowers require water tight containers.
- All dried flowers must have weights to hold container in upright position.
- All live cut flowers and weeds require proper oasis for water.
- Under Cut Flower section all flowers are judged on 75% plant quality and 25% display. Under Pixies and Flower Arrangements all flowers are judged on 60% arrangement quality and 40% floral quality.
- One exhibit for each class by each exhibitor

Sponsored in part by: Port Colborne Horticultural Society

Some information for preparing exhibit:

- Remove any evidence of disease, insects and dust from leaves and blooms
- Remove dead leaves
- Remove debris from soil
- Use clean container
- Cut stems on an angle
- A bloom is an individual flower one to a stem with no buds
- A spray is a portion of a plant with multiple blooms
- A stem has one or more blooms or buds
- The size of the container when specified will be that size in any direction
- Example an 8" round or 5" by 8" long rectangle
