

# Class F - Flowers

Chairperson: Christine McCartney 289-478-1161 kcmccartney@gmail.com

## General Rules

- Read and adhere to Rules and Regulations of the Fair
- All flowers and plants - FRESH FLOWERS unless otherwise stated
- Must be grown by the exhibitor
- All cut flowers require watertight containers
- All dried flowers must have weights to hold container in upright position
- All live cut flowers and weeds require proper oasis for water
- Under Cut Flower section all flowers are judged on 75% plant quality and 25% display
- Under Pixies and Flower Arrangements all flowers are judged on 60% arrangement quality and 40% floral quality
- One exhibit for each section (item number for example "F1PS") by each exhibitor

## Some information for preparing exhibit

- Remove any evidence of disease, insects and dust from leaves and blooms
- Remove dead leaves
- Remove debris from soil
- Use clean container
- Cut stems on an angle
- A bloom is an individual flower one to a stem with no buds
- A spray is a portion of a plant with multiple blooms
- A stem has one or more blooms or buds
- The size of the container when specified will be that size in any direction
- Example an 8" round or 5" by 8" long rectangle
